Mission

To assist charitable organizations that create a positive impact on the lives of people in our communities.

Letter from the Board

From our first-ever Racial Justice Volunteer Vacation to hitting a donation milestone, there was so much to be proud of in 2022. First and foremost, we are thrilled to announce that we hit the \$2 million donation mark in 2022! Our collective giving has resulted in more than \$1.3 million contributed across the U.S. and the globe, and we couldn't have done it without all of you.

The theme of giving back rang true in 2022. Over 80 percent of you participated in the Great Give, and 144 participated in Volunteer Vacations. Thank you all for your continued dedication and service to your communities – together, we make a difference in the world.

We are excited to announce the addition of two new Committees to further strengthen the Armanino Foundation in 2023 – the Community Service Committee, which focuses on strengthening our bonds with the people and nonprofit leaders in our communities, and the Financial Literacy Committee, which aims to help increase financial knowledge and progress for those in need.

We also launched our first Armanino Alumni newsletter, keeping our retired team members in touch with our accomplishments.

Visit armaninofoundation.org to donate, share new ideas and get involved today!

Volunteer Vacations

This year, we were happy to welcome back Volunteer Vacations. Volunteer Vacations extend the concept of the firm's Great Give event beyond a single day to provide community-building goodwill across the nation and the globe.

In 2022, over 100 staff and partners volunteered in seven locations across the country and one location abroad.

Volunteer Vacations 2022

- April 2022 – Nature Conservancy (West Linn, Oregon)
- May 2022 – Racial Justice Immersion (Tulsa, Oklahoma)
- June 2022 – Home Rehabilitation (Puerto Rico)
- July 2022 – Blackfeet Indian Reservation Tutoring and Home Rehabilitation (Helena, Montana)
- July 2022 – Give Kids the World Village (Orlando, Florida)
- August 2022 – Catalina Island Conservancy (Catalina, California)
- October 2022 – Honor Flight (Washington, D.C.)
- November 2022 – Tutoring and Teaching English (Hanoi, Vietnam)

Volunteer Vacations

“In Vietnam, my group taught members of the blind community conversational English and professionalism so that they could work as massage therapists. It was such a fulfilling and heartwarming experience, and so wonderful to give back with other Armanino team members.”

— René Siegel

Amanda Steckel

At age 15, I was diagnosed with Acute Lymphocytic Leukemia. One year later, I was granted a wish, went to Disney World and visited the Give Kids the World Village. While I was there, I wrote my name on a glass star – each star represents a critically ill child who visited the village.

Now, I am 27 years cancer-free! Through the Volunteer Vacation, I was able to re-visit the Village and locate my glass star. I never dreamt that one day I would be there again and volunteer with my son, Ethan. It was so surreal. The most fulfilling part of the volunteer vacation was assisting in the effort of making an enjoyable, memorable experience for the families and bringing a smile to their faces – just as they had for me as a child.

“We visited the Greenwood District in Tulsa. It was amazing to learn about what the residents went through and how they overcame the things that happened to them. During the trip, we helped four families in need, and people shed tears because of how much we helped them. It was emotional and I learned a lot.”

The Great Give

In 2022, our team members gave back to their communities and became closer with one another by participating in The Great Give – an opportunity for each employee to take a day off and use it to volunteer in their community.

Armanino team members volunteered more than 15,000 hours at 118 nonprofit organizations across the country for the Great Give in 2022.

The Great Give

\$50K Grants Giveaway Winners

We wrapped up our season of giving by donating a bonus \$50,000 in grants. Armanino team members voted, and the following organizations each received \$10,000.

- Stray Rescue, St. Louis
- Women for Women International
- Little Sisters of the Poor – St. Anne’s Home
- The Accounting Career Awareness Program of the San Francisco Bay Area
- The Nature Conservancy

“We have had the pleasure of planning and working alongside many Armanino volunteer teams for the past 10 years, including the enthusiastic 2022 Great Give and volunteer vacation crews. Without exception, the Armanino volunteer teams are organized, reliable, incredibly hard-working and so much fun to work with. Thank you for thinking of The Nature Conservancy with this generous donation and for your many years of volunteer service toward helping us restore and steward Oregon’s Camassia Natural Area.”

— The Nature Conservancy

Empowered: The Secrets to Armanino’s Success

In June 2022, we published “Empowered: The Secrets to Armanino’s Success,” with all proceeds going directly to the Armanino Foundation. The book, written by Matt Armanino, Andy Armanino and Mary Tressel, captures the stories of Armanino team members who have impacted our history, culture and evolution into the fastest-growing firm in our industry.
