Along with our devoted and compassionate Armanino Foundation Board members, I'm so honored to serve each of you. We take great pride in assisting charitable organizations that create a positive impact on the lives of people in our communities.

We know that the Armanino Foundation is a lynchpin in our unique and strong culture. It is something that sets us apart in our industry and gives great purpose to our work.

In 2024, we **heard** about our impact in the notes from grateful team members for the grants made to the charities that matter most to them.

We **felt** the impact when the Armanino Foundation provided an outlet for our shared grief at the loss of beloved team members Maryellen Wright and Heidi Warren.

We **empowered** the participants of our Financial Literacy presentations who learned how to gain financial independence at a crucial juncture in their lives.

And we **saw** that impact in the smiles and sweat that we shared while volunteering side by side at the Great Give, our Quarterly Community Service activities, and our Volunteer Vacations.

The Armanino Foundation is truly the heart of our firm. Thank you to each and every one of you who donated and volunteered to make such a **positive impact** where we work, where we play, and where we live.

Best,

Ken Teasdale
Board Chair

Volunteer Vacations

The Greatest Global Great Give Yet!

In 2024, we created the opportunity for 137 team members and their family and friends to make a positive impact in destinations across the nation and in Mexico. Together, they volunteered over 3,000 hours. Our Volunteer Vacations Committee manages all logistics, and our volunteers travel, learn about the region, and give of their time and talent – it’s a win-win for all!

We celebrated the worldwide impact of thousands of Armanino team members who dedicated a record-breaking 20,512 volunteer hours in support of 158 unique nonprofits. Our new Ahmedabad, India-based office participated by helping individuals with deafness, blindness and multiple disabilities to overcome everyday challenges. In total, 2,155 staff and Partners helped out with environmental cleanups and food packing as well as educational programs and social services support.

Fifty-five of your colleagues earned extra money for their favorite non-profits just by tracking their volunteer hours! Their community efforts amounted to over 2,500 volunteer hours. We encourage our team members who volunteer at qualified charitable organizations to magnify their community service contributions with Dollars for Doers grants.

Dollars for Doers grants are provided at several levels per calendar year:

\$250	for 25 hours of volunteerism
\$500	for 50 hours of volunteerism
\$750	for 75 hours of volunteerism
\$1,000	for 100 hours of volunteerism

➤ **Organizing a team effort such as a charity walk or marathon?** The Armanino Foundation will award the organization \$25 per person participating on your team, up to a maximum of \$1,000.

All you have to do is submit a letter from the nonprofit stating your hours of commitment to DollarsforDoers@armaninollp.com.

Armanino has a unique differentiator when it comes to giving back – our expertise in personal finance matters! A group of dedicated volunteers are honing their public speaking skills while providing essential financial literacy lessons to college students and nonprofit beneficiaries. From Budgeting Basics to Protecting Your Identity, the Armanino Foundation courses offer building blocks for those who are seeking to establish good habits related to money and credit.

Quarterly Community Service Brings Community Impact to Our Offices

In a successful partnership with our Culture Committees, the Armanino Foundation established Quarterly Community Service activities in 2024. This one-stop shop approach to giving makes it easy for you to pop into your office café or conference room, grab a snack and participate in the well-organized activity!

In Q1, we provided ewaste recycling guidelines and sustainability events across our offices and for our mobile pros. In line with our annual tradition, Q2 brought the Great Give to every Geo across the nation and to our locations in Canada and India. We marked the return to school in Q3 with an Education and the Arts activity – making flash cards and bookmarks for Reading Partners. And the assembly of dignity hygiene kits in Q4 to support our Health & Social Services area of interest rounded out the year.

A huge shoutout to our Culture Committee leads and everyone who made the time to make a difference at these events!
