Letter from the Board 01

This past year reminded us once again that our giving culture is one of the defining strengths of our firm. The Armanino Foundation embodies the very best of who we are, uniting all of us around a shared commitment to lift up the communities where we work, play and live.

In 2025, many of our communities endured unprecedented natural disasters, and the Foundation was able to respond swiftly and with heartfelt care. Your donations made it possible for us to support families, neighborhoods and local organizations during the difficult moments when they needed us most.

The power of that impact is also reflected in grateful messages from team members who made grant nominations and charities who received those grants. You can see some of those in the pages that follow.

Our volunteers continued to inspire at every opportunity, whether empowering participants in our Financial Literacy presentations or rolling up their sleeves at the Great Give, Quarterly Community Service projects and Volunteer Vacations. Through all of these events, we shared smiles, sweat and a genuine desire to make a difference.

We also felt the strength of our community as Armanino provided space and support following the loss of beloved colleagues throughout the year, including Ramu Ella, Sandi James, TJ Kaczan, Dominic Rovano, and Giles Zollar.

To everyone who donated to the Armanino Foundation in 2025: thank you. Your generosity fuels everything we do. Our thanks as well to everyone who submitted grant applications on behalf of the causes you care about, helping us to extend our reach and deepen our impact.

The Armanino Foundation is truly the heart of our firm, and each of you helps to keep it beating strong. Our devoted Foundation Board members consider it a privilege to serve you in this way, and we're deeply grateful for your compassion, your participation and your unwavering commitment to doing good.

With thanks,
Ken Teasdale
Board Chair

Volunteer Vacations: Service with Purpose

In 2025, 114 team members — along with family and friends — served communities across the U.S. and internationally, contributing 2,800 hours of impact. The Volunteer Vacations Committee handled logistics so participants could focus on learning, connecting and serving. It's a true win-win: meaningful travel, shared purpose and lasting change.

Thinking about joining a future trip? You'll serve alongside colleagues, learn about local needs and contribute skills that matter.

**Organizing a team event
(e.g., a charity walk or marathon)?**
We'll award \$25 per Armanino participant, up to \$1,000 per event.

How to reward your favorite organization:

Submit a letter or email from the nonprofit confirming your hours to DollarsforDoers@armanino.com.

Our Grants Committee plays a pivotal role in supporting nonprofits that are important to our people.

What makes the Armanino Foundation special is each of us is eligible to nominate their favorite organization for a grant. Grants range from \$500-\$3,000 and are awarded in our five areas of interest.

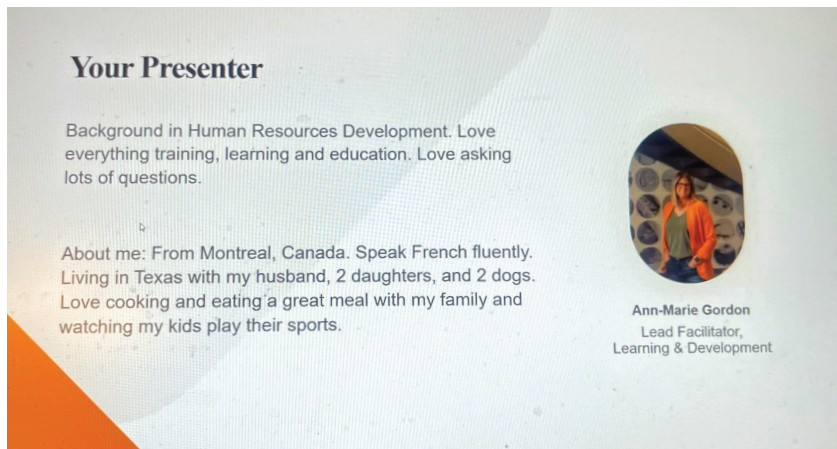

"Alongside my daughter, I volunteer at The Marine Mammal Care Center, where we proudly support the organization's mission to inspire ocean conservation through marine mammal rescue and rehabilitation, education and research. Together, we are grateful to play a small but meaningful role in the Center's impact and in building a healthier future for marine life and the communities connected to it."

Financial Literacy: Empowering Confidence and Choice

05

Armanino's expertise in personal finance is a unique differentiator. In 2025, a dedicated group of volunteers delivered 50 practical financial education courses to college students and nonprofit beneficiaries – while also honing their public-speaking and facilitation skills. We were grateful for the opportunity to have our India Financial Literacy Committee members share these courses with colleges in Ahmedabad and Hyderabad.

Core modules include

Budgeting Basics:

Building a spending plan that works

Credit & Debt:

Understanding credit scores, responsible borrowing and payoff strategies

LinkedIn:

Build Your Brand: visibility leads to possibility

Protecting Your Identity:

Fraud prevention and data security fundamentals

Resume Writing:

Clearly communicate your value so you can stand out

The result:

Participants gained knowledge, agency and a path toward financial independence.

"Thank you for the great job yesterday! The guys learned a lot and were grateful they could hear from another voice that was not mine! Hope we can partner together in the future. I'm a big fan of what you are doing and hope you can help many more in the future. We believe that financial literacy is a game changer and can ultimately change a person's life forever."

How to Give 07

Your generosity goes twice as far. Partners match every dollar you donate to the Armanino Foundation — doubling your impact.

Employees can set up ongoing giving in Workday (Voluntary Deductions):

1. Go to **My Voluntary Deduction**.
2. Choose your Area of Interest (or select Foundation Choice to give where funds are most needed). You can split your gift across multiple areas.
3. Partners: select the Partner Match option.
4. Change the default from One-time to Ongoing to make your gift continuous.
5. The Start Date will default to your next pay period; no end date is required.
6. Enter your amount and select OK.

Have questions about giving or matching?
We're here to help.

"We at Projects With Care are deeply grateful for the generous grant from the Armanino Foundation! Your support for our Project Welcome Home program will make a significant difference in the lives of families affected by domestic violence as they transition from shelters to independent living. A heartfelt thank you to Karen Morales and the entire Armanino team for your ongoing commitment to both our organization and the community."
